THE PEOPLE'S CHOICE Had there been a fair election, without the agency of military or Congressional tyranny, every old slaveholding State would have voted by an immense majority for SEYMOUR and BLAIR. Every body admits this. This would have given them 116 electoral votes to stand on. New York has thirty three and New Jersey seven electoral votes, making forty in all. These, added to the 116, make 156 electoral votes, or only three less than constitutes a maority over all. Oregon or California would have given these three votes without doubt. Mr. SEYMOUR has not been beaten for President of the United States. He is the choice of the American people, but has been swindled out of the office by the greatest rascality give the election to his opponent .-

Panic in Will Sirect.

Yesterday (Friday) we are informed by telegraph, the excitement in Wail way shares were sold by the thousand, him is to carry out the well understood and Government Bonds by the millions.

Trade is standing still in all directions.

There is great danger that this panic will extend all over the country, and yet further add to the depression of business in the West This is a very poor return to the Western States for giving tremendous majorities to the Republican party on Tuesday. That party, had it been equal to the curergency, could have done much to arrest this formula in the standard of the standard party. The country was a standard of the curergency, could have done much to arrest this formula in the standard party. The country was a standard party well, often finds that a does of these Pills makes him feel decidedly better, from their cleaning and renovating effect on the digestive apparatus. Trade is standing still in all directions. this financial disaster. Doubtless, this DR. J. C. AYER & CO., Practical Chemists. will furnish a fine incentive for the people to jollify over the election of

GRANT Will Grant "Tylerize ?"

In publishing articles on the latelection from Democratic papers, the Cincinnati Gazzette says: "It will be seen that most of the papers from which we quote affect to be lieve that Grant is not much of a Re publican, and may be Johnsonized We do not think the more intelligent 152 they only make the suggestion to com material for consolation."

We happen to know that two of the equal to the bond of the Gazzette editors-gave as a reason for their support of Gen. GRANT, that he would "Tylerize" the party by refusing to lend him self to the schemes of the Radical leaders, as President Jonnson has done .-Statesman.

Question Open for Disenssion.

It is well, perhaps, that the discus sions of popular elections are not as irreversible as the laws of the Medes and Persians are said to have been. Mr. COLFAX, in his speech at Pittsburgh last night, assumed it to be & settled point that a majority of the people had decided not only that the war for the 6 restoration of the Union had been a success, but that the Congressional could be devised Will Mr. COLFAX, 10 or somebody else, inform the public whether the Union has been restored. and also whether the Radicals them selves are perfectly satisfied with the result, thus far, of their reconstruction policy, If the discussion is absolutely closed what is the Republican verdict?

Dumas Coming to America. Alexander Dumas, Sr., has written the following letter to Jules Noriac about his intended trip to America:-"My dear Noriae, I think I shall not return to Italy; at all events, I shall not do so next year. I shall remain in France until May, and then probably go to the United States. The most urgent invitations have called me thither ever since 1866, and I cannot defer the voyage any longer. I am anxious to visit the New World, and would have
